72 Boats and 6 Nations

2016

2019

European Optimist Championship

300 Boats and 45 Nations

03

Breathtaking
natural
environment

An aerial photograph of a stunning beach on Île Vierge, France. The beach is composed of light-colored pebbles and is nestled at the base of a dramatic, rocky cliffside. A large, dark cave opening is visible in the cliff face. The water is exceptionally clear, showing a vibrant turquoise color near the shore that deepens into a rich blue further out. Several people are scattered across the beach, and a small boat is visible in the water. The overall scene is one of natural beauty and tranquility.

*Île Vierge,
the 7th most beautiful beach
in Europe!*
